Medicare With Confidence!

Personal Service & Plan Selection

Berwick Insurance Group values our agent partners and we want you to have all the right tools it takes to successfully sell Medicare plans. So, we put together a catalog that contains designs you can use for various print advertisements including, but not limited to, flyers, postcards, rack cards, newspaper and magazine ads.

At your request, we can personalize each design to include any combination of your name, telephone number, email address, website, agent license number, affiliated agency name, tagline, logo and/or photograph.

The process is simple:

1. Choose the design you want to use
2. Determine the size needed for each piece*
3. Outline the contact information you want included
4. Send your request to marketing@berwickinsurance.com or call us at 888-745-2320

These design services are free to our agent partners and we want to hear how they're working for you. We welcome your feedback and thank you for being a great partner!

Important: Please limit requests to three designs or fewer at a time. Turnaround times vary depending on the scope of the project, seasonality, and other factors. The design specifications found within this catalog are intended for printing from your home/office printer or at quick-print stores. Please let us know if you intend to utilize the services of a professional print shop that requires crop & bleed marks within the design file.

*Please indicate if you need specific sizing for your design in inches: Width x Height. Default sizes for our most requested pieces are as follows:

Flyer: 8.5" W x 11" H

Postcard: 8.5" W x 5.5" H

Rack Card: 3 7/8" W x 8.5" H

NOTE: Please be aware actual content can vary from catalog depictions; modifications may be needed.

IMPORTANT - Using Available Templates

Berwick Insurance Group provides contracted agents with a number of different available templates to help communicate with their unique client base, community and/or prospective audience.

Agents are individually responsible for selecting materials appropriate to their market setting. For example, an agent in a large service area that has many carriers and/or plan options may opt to use a template that uses language like **“Medicare Plans: You have a lot of options!”** Whereas an agent in a smaller service area with limited carrier and/or plan options may want to use a different template or request that their Marketing Consultant change the headline to say, **“Medicare Plans: You have options!”** *If you have any concerns about selecting an appropriate template, contact your friendly Marketing Consultant by email at marketing@berwickinsurance.com or by phone at 888-745-2320.*

A note on the Medicare Advantage Open Enrollment Period (MA OEP), January 1 – March 31, and State Regulations:

General Prospecting templates requested in the first quarter will be accompanied by a sticky note within the design that addresses Special Election Periods (SEPs) agents can effectively advertise during the Open Enrollment Period (*see example*). The sticky note will not accompany templates specific to an SEP, like Turning-65 pieces.
